Environmental Toxicology and Water Quality (ISSN: 1053-4725) is published four times a year in Feb./May/Aug./Nov., one volume per year, by John Wiley & Sons, Inc., 605 Third Avenue, New York, New York 10158. Second-class postage paid at New York, N.Y., and at additional mailing offices.

Copyright © 1995 John Wiley & Sons, Inc. All rights reserved. No part of this publication may be reproduced in any form or by any means, except as permitted under section 107 or 108 of the 1976 United States Copyright Act, without either the prior written permission of the publisher, or authorization through the Copyright Clearance Center, 27 Congress Street, Salem, MA 01970, (508) 744-3350, fax (508) 745-9379. Second-class postage paid at New York, NY, and at additional mailing offices.

The code and the copyright notice appearing at the bottom of the first page of an article in this journal indicate the copyright owner's consent that copies of the article may be made for personal or internal use, or for the personal or internal use of specific clients, on the condition that the copier pay for copying beyond that permitted by Sections 107 and 108 of the U.S. Copyright Law. This consent does not extend to other kinds of copying, such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale. Such permission requests and other permission inquiries should be addressed to the Permission Dept.

Subscription price (Volume 10, 1995): $224.00 in US, $264.00 in Canada and Mexico, $279.00 outside North America. All subscriptions outside US will be sent by air. Personal rate: $96.00 in US, $116.00 outside North America. Subscriptions at the personal rate are available only to individuals. Payment must be made in US dollars drawn on a US bank. Claims for undelivered copies will be accepted only after the following issue has been received. Please enclose a copy of the mailing label. Missing copies will be supplied when losses have been sustained in transit and where reserve stock permits. Please allow four weeks for processing a change of address. For subscription inquiries, please call (212) 850-6645; e-mail:SUBINFO@jwiley.com

Postmaster: Send address change to *Environmental Toxicology and Water Quality*, Susan Malawski, Director, Fulfillment and Distribution, John Wiley & Sons, Inc., 605 Third Avenue, New York, N.Y. 10158. For subscription inquiries, please call customer service at (212) 850-6645 or write to the above address.

Inquiries concerning *advertising* should be forwarded to Roberta Frederick, Advertising Sales, John Wiley & Sons, Inc., 605 Third Avenue, New York, N.Y. 10158, (212) 850-8832. Advertising Sales, European Contact: Michael Levermore, Advertising Manager, John Wiley & Sons, Ltd., Baffins Lane, Chichester, Sussex PO 19 1UD, England.

Reprint: Reprint sales and inquiries should be directed to the Customer Service Department, John Wiley & Sons, Inc., 605 Third Ave., New York, NY 10158. Tel.: 212-850-8776.

Manuscripts should be sent to the nearest Regional Associate Editor. Letters to the Editor, Meeting Announcements, and Book Reviews should be sent directly to the Editors. *All other correspondence* should be sent to the *Environmental Toxicology and Water Quality*, Publisher, Interscience Division, Professional, Reference, and Trade Group, John Wiley & Sons, Inc., 605 Third Avenue, New York, N.Y. 10158.

Opinions expressed here are those of the authors and do not necessarily represent those of the editors or publisher.

The contents of this journal are indexed in *Current Contents, Chemical Abstracts, EMBASE*, and *Science Citation Index*.

This journal is printed on acid-free paper.
